A CALIFORNIA TRANSITION PROGRAM

In partnership with the
California Department of Education

WHAT IS WORKABILITY I?

The WorkAbility I (WAI) grant programs provide comprehensive training in work, employment placement and follow-up for special education students (16 – 22 years old) who are making the transition from school to work, independent living and post-secondary education and training.

The WAI program is funded and administered by the California Department of Education and offers special education students the opportunity to complete their secondary education while also obtaining marketable job skills for success in the modern labor market.
