III. ACTION ITEM

- A. Approval of the [updated SCCOE Housing Policy](#)*

Background: The current Santa Clara County SELPAs: SCCOE Special Education Housing Policy was last updated in 2016. While the current policy outlined classroom space needs, fiscal implications of space, and custodial services guidelines, it lacked any language regarding students or the inclusion of students when County Operated classrooms are located on District campuses. A workgroup was formed to revise the current policy with a focus towards identifying facets of the current policy and adding additional language to design a revised housing policy which places student inclusion at the center.

The workgroup was comprised of special education staff from seven districts within Santa Clara County (Moreland District, East Side Union High School District, Cambrian School District, Sunnyvale School District, Franklin McKinley School District, Santa Clara Unified School District, Los Gatos Unified School District), SELPA Directors from Northwest and Southeast SELPA, members from the SCCOE Special Education Department, and was led by the Assistant-Superintendent of Educational Services for SCCOE. The workgroup met four times over the course of the 2022-2023 school year. At each meeting additional language was added to the current policy, discussions around student inclusion and barriers around inclusion were discussed, and by the end of the fourth meeting, a draft revised Housing Policy was completed.

This draft policy, along with a feedback survey was then presented at both the Northwest and Southeast March SELPAs meetings and the March District CBO meeting. Feedback was received via the feedback survey and additional edits on the draft policy were made. The new draft policy provides clarity on the roles and expectations for both SCCOE and Districts to ensure that all students, staff, and families are included in all school settings.

It is recommended that the SELPA IV Executive Council approve the updated SCCOE Housing Policy.
