School Parent Compact

The school staff, parents, and student agree that all parties will share the responsibility for improved student academic achievement. This School-Parent Compact is in effect for the 2022-2023 school year.

School Responsibilities (Teacher and IEP Team, and to be guided by IEP Goals):

The school will support children's learning in the following ways:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enable the participating students to meet the state of California's student academic achievement standards.
2. Hold parent-teacher conferences during which this compact will be discussed as it relates to the individual child's achievement.
3. Provide parents reasonable access to staff.
4. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities.
5. Treat parents in a professional and respectful manner.

Parents Responsibilities

We, as parents, will support our children's learning in the following ways:

1. Monitor attendance to ensure children attend school regularly.
2. Make sure homework is complete, when appropriate.
3. Monitor and limit the amount of time and the appropriateness of content for television and media.
4. Promote and support IEP goals and practices.
5. Exhibit a good example for students in their conduct, language, and behavior while on campus or at school-sponsored events.
6. Treat members of the staff in a professional and respectful manner (do not threaten or approach any staff members in an abusive or intimidating manner). *Anyone not respecting the above guidelines may be asked to leave school premises and, in some cases, may be prohibited from access to the school.*

Student Responsibilities

We, as students, will support academic achievement through the following activities:

1. Do homework as assigned.
2. Ask for help when I need it.
3. Read, or be read to, for at least 30 minutes every day outside of school.
