Meeting Sep 24, 2020 - Opportunity Youth Academy Governing Board Meeting #006

Category 3. ACTION ITEMS

Type Action Item (Consent)

Due to the pandemic, the state has suspended the LCAP for this year and has established the Learning Continuity and Attendance Plan (LCP) as a one year requirement in response to the unique situation that we are in due to COVID-19. Per California Education Code (EC) 43509 (b)(4), school districts and county offices are required to hold a public hearing to solicit recommendations and comments from members of the public regarding the descriptions and expenditures proposed in the LCP. OYA held a public hearing on September 10, 2020.

The Budget Overview for Parents will be presented in December, while the LCAP will return to its regular cycle in the Spring.

The OYA's Learning Continuity and Attendance Plan (LCP) was developed with guidance from the California Department of Education and utilized the process and template adopted by the State Board of Education. Stakeholders participated in the development of the LCP by participating on online surveys and personal contacts. It is recommended that the OYA Governing Board adopt the 2020-21 LCP that the Opportunity Youth Academy will submit to the California Department of Education (CDE).
